Profile

Warm Greetings, I am currently studying Bachelors in Computer Science offered by IIMS College which is affiliated to Taylor's University of Malaysia. I always seek for the opportunity to make me more competent and professional in the field. Getting to work under the experienced professional and team will always open the wider door for me in the future. I am very **passionate, dedicated** to learn new things on the way and I think working with you could be the great platform to help me learn new things and apply my skills that I acquire.

Education

- **SEE**
KMC School
GPA - 3.70
- **+2**
Global College of Management
GPA - 3.68
- **Bachelor's**
IIMS College
GPA - 3.75 (First Semester)

Why Hire Me?

- **Dedicated and Punctual Towards Work**
- **Quickly adaptable working with any Team**
- **Always keen to learn and Experience new things**
